Report Assignment Part 2

Group 999:
Student 1 (Matr. Number)
Student 2 (Matr. Number)
Student 3 (Matr. Number)

Statement on the usage of LLMs

⟨If you make use of generative AI in the form of LLMs, state in which tasks you used them for which purpose. You may also further argue why the specific usage does not detract from your understanding of a particular task. ⟩
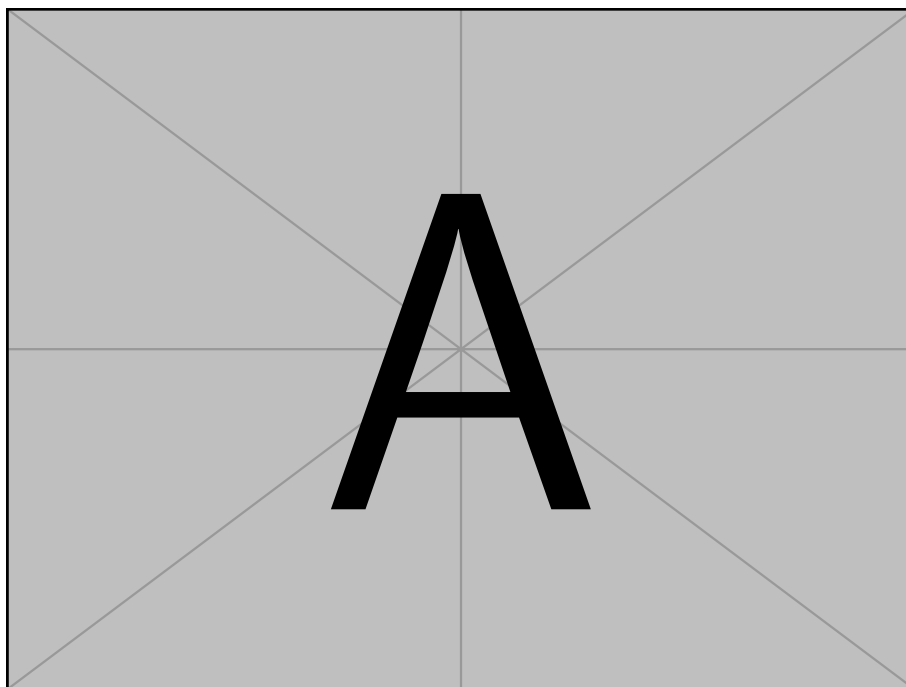

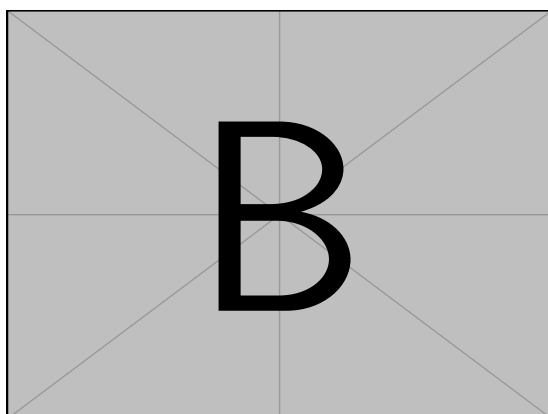

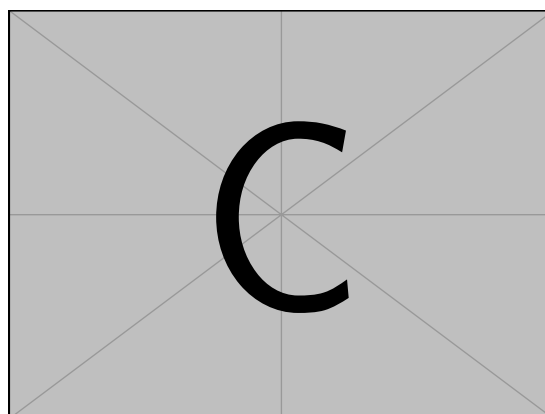

Q1 Frequent Itemsets and Association Rules

Figure 1: Simple figure example.

(a) Subfigure B

(b) Subfigure C

Figure 2: Example of using Subfigures.

Q2 Natural Language Processing

Q3 Process Mining

Q4 Time Series Analysis

Q5 Distributed Data Processing
